

## Questions and Answers from Pre-Bidders Workshop

4<sup>th</sup> March 2021

1. Please clarify on the targets: are they targets for each of the 3 years per implementing partner or are the whole program targets  
*The 15000 target for adolescent girls and young women is a yearly target for the entire program*
2. If it is a partnership should both partners submit registration documents or just the prime?  
*Registration documents should be for the lead applicant*
3. Font size is not prescribed. Please advise  
*Applicants can use Arial, Calibri or Garamond with font size not less than 11*
4. On the HIV care and support it would work better for partners to separate the targets for adolescents living with HIV from the PLHIV. There are support groups and teen clubs. The target for ALHIV through teen clubs is not clear.  
*The targets for ALHIV will be refined with the awarded organization*
5. Under SR 1 for AGYW do we have targets for livelihoods support and retention in school interventions?  
*Yes, they will be refined with the awarded organization*
6. Please clarify, can an organization write a proposal that comprises of all four thematic areas?  
*Yes, however, the organization should stick to the proposal outline guidelines (maximum 12 pages).*
7. In SR3 are listed number of people to recruit and train per inkhundla or overall.

*The personnel are for the overall intervention*

8. What is the difference between SR1 and SR2?

*SR 1 and SR2 will be implementing the same intervention sharing the 14 Tinkhundla (7 Tinkhundla each SR)*

9. Can prime of a consortium allowed to apply another sr as individual

*In the proposal, you will indicate the lead applicant and the co-applicant. Only one Expression of Interest per organization will be accepted where the applicant may address more than one technical area/intervention in the submission*

10. Should ngos applying in partnerships both submit organization registrations and audited statements

*Registration and audited statements are expected from the lead organization*

11. Does that mean the 7 500 is a yearly target that should be maintained in the duration of the project? What is AGYW drops, do we have to replace so that the number stands at 7500 at any given time.

*Yes*

12. AGYW targets-15000/2 is 7500 per 7 tinkhundla, please clarify

*Yes*

13. SR 1 & 2 targets ages 10-19yrs amongst others yet the RFA says the target should be out of school. Other interventions suggested are school uniforms which implies we are targeting in school as well. Please clarify

*Yes, the AGYW is for out of school however, the details on education support will be discussed with the awarded organization*

14. I request more clarity on the targets please. On SR1, 7 randomly selected Tinkhundla from the list of 14 (which have a total of 17,000 10 - 29yr olds females) - that's Census 2017, coupled with the assumption that once AGYW has been through the Stepping Stone session they cannot be re-enrolled, it doesn't look possible to have 22,500 (7,500 multiplied by 3yrs) agyws reached. Please advise on this

*The project targets for AGYW is 15000. Proposals should be directed at meeting this target*

15. Will an org be eligible for applying if they have only received a budget of E1,1M for a 1 year project that occurred last yr...there are no audited statements for the FBO but there are for the church as the church has a facility

*Organizations who currently or in the past 3 years have received donor funding above E500 000 per year per donor are eligible to apply*

16. Do you have a prescribed DIP (Detailed Implementation Plan) template?

*No, please use outline in the RFA*

17. Does it qualify when registered as a church and not as an org?

*The funding is open to registered organizations with certificate of incorporation:*

*Non-governmental organizations (NGOs)*

*Faith-based organizations (FBOs)*

*Organizations of People living with HIV*

*Key Population Organizations (FSW, MSM, PWID)*

18. Should reference letters from other NGO's that we have worked with be attached?

*No, they are not a requirement*

19. Please elaborate on relationship on the different budget Tabs

*In the budget submissions; administrative costs should be directly costed in the budget submitted. Budgets should be accompanied by budget notes, which explain the budgeted items in narrative format, including how calculations were made.*

***Budget Template instructions***

*Details are in the three tabs; Trainings/Program, HR and Admin, then consolidate/link all three tabs in the Detailed Tab.*

20. Does the applying organisation have to submit reference letters from other donors?

*No, they are not a requirement*

21. Proposal preparation - on the staff listing ...will CANGO expect the org to have project director and project mngr....or one of the two?

*CANGO cannot decide the structure of HR however, organizations should be mindful of the ratio of admin cost vs program costs.*
